MAYSVILLE, KENTUCKY, SATURDAY, MARCH 13, 1920.

ONE COPY—ONE CENT

FIRST PRESENTATION OF ELKS BIG SHOW MONDAY EVENING

First Complete Rehearsal Held Friday Night Gives Some Idea of the Class of Year's Biggest Home Talent Effort.

Everything is now in readiness for the big Elks-Jordan home talent show "Oul Oul Monsieur," which has been in the course of building for the past two weeks under the personal supervision of Mr. and Mrs. Jean Jordan, professionals and experts at the production of home talent plays.

The show is really a musical comedy with some of the catchiest song hits of the year in the list of the large number of songs to be rendered by local voices. Several of Maysville's best singers are to take part and the talent that a number of our local boys and girls have displayed during the rehearsals is surprising to the producers as well as to their friends.

Arrangements have all been completed for the costumes which will be provided by a well-known Cincinnati concern while all of the details of the big show have been carefully worked out.

Misses Louise Hunsicker and Bona Fitzgerald and Messrs. Duane Rogers and John Dudley Keith are some stars in the cast and in Friday's rehearsal they displayed wonderful ability.

The play will prove a most delightful surprise to the members of the audience. The show gives the audience a glimpse behind the curtain in a vaudeville show and then they will be permitted to see a whole vaudeville show entirely through. Following the presentation of the vaudeville show, the audience will again be given a glimpse behind the curtain. The play has a very interesting plot carried all through the various acts and scenes which in all will make a very delightful evening.

AMERICAN CITY WANTS PICTURE OF OUR LIGHTS.

The Public Ledger is in receipt of a letter from the editor of the American City, the nation's leading magazine on municipal affairs, requesting a photograph of the city's new White Way. This magazine's attention has been called to Maysville's improved street lighting system by circulars published broadcast over the nation. The magazine is preparing an illustrated story on Maysville's new lighting system.

For Quick sale—12 Rights in the Parker Tire and Rubber Co. for \$100. Address Box 643, Maysville, Ky. 11-61

LYCEUM COURSE CLOSED WITH GOOD MUSICAL

Kryl's Orchestral Sextette Gives Delightful Program in Closing High School Lyceum Course.

The last number of the Maysville High School Lyceum Course at the High School auditorium last night attracted a good sized audience despite the very disagreeable weather and those who braved the March night were fully repaid by hearing the most delightful musical concert of the season.

The six musicians trained by Bohumir Kryl are experts on their various instruments and in solo parts demonstrate their talent. Miss Irene Stofsky, the leader of the sextette, is one of the most accomplished of the younger violinists of the country and her solo work last night endeared her to her Maysville audience as few artists who have played here have done. The player of the saxophone was also said by musicians, capable to judge, to be one of the best musicians ever heard on a local platform.

Other members of the company were good and especially does Miss Bernice Arthur, the pianist, deserve special mention for her splendid voice demonstrated in her rendition of several selections from Grand Opera.

Maysville people have enjoyed the High School Lyceum course immensely this winter and they are hoping that the Lyceum Committee of the Board of Education will see fit to give us another high class program for next season.

FEBRUARY TOBACCO SALES IN KENTUCKY.

The monthly report of the State Commissioner of Agriculture shows that during the month of February a total of 113,229,709 pounds of tobacco was sold in the state at a general average of \$26.14. Of this 93,353,618 pounds was White Burley which brought an average of \$28.41.

M. H. S. AT STATE NET TOURNAMENT.

The Maysville High School basketball team is represented at the state basketball tournament. The first game of the tournament, played Friday Maysville was pitted against the Pikeville High School. The tournament will close this evening.

\$5.00 REWARD. If you begged, borrowed, bought or stole a pair of size ten Nettleton shoes from a repair shop in Maysville and can help to prove the shoes belong to me I will give you \$5.00 and you may keep the shoes. J. A. SIMPSON. 13-31

WATER COMPANY IN STATEMENT ON WATER SITUATION

Maysville Water Company Says Chlorinator and Lime and Iron Is Now Being Used In Water Served Citizens.

The Maysville Water Company, through its Secretary, Mr. Henry E. Pogue, this afternoon issued the following signed statement on the local water situation as it is today:

Perhaps it will be of interest to the citizens of Maysville as to the exact conditions that have existed with the Maysville Water Company and that now exist with them.

On September 15, 1919, the Maysville Water Company ordered of the Allis-Chalmers Pump Company new electric pumps, to be used at the pumping station to replace old pumps, which have given faithful service for many years.

Due to many breakdowns, the city and community were inconvenienced by a shortage of water for a period not longer than three days at one time. On one of these occasions the City Council decided it best to appoint a committee of citizens to consult with the officials of the Water Company in regard to what could be done with the situation. At this time it was apparently the general opinion of the public that the pumps had not been ordered by the Water Company, and this impression was shown to have been unjustified by the production of contracts to the Citizens' Committee. The delivery was promised at the time stated by the Water Company (December 15th, 1919), but due to coal shortage and labor conditions they were not delivered until February 1st, 1920.

They being installed and put in adequate running condition on February 13th, 1920. Water was then pumped direct to the reservoir, and the chlorinator plant having been installed by the instructions of the Health Department at the intake of the pumps at the pump house, making all water that is pumped to the reservoir well chlorinated, a lime and iron process having been immediately constructed and completed today and now in working order should give the city of Maysville sufficiently clear water.

It is not the Water Company's idea to say that a filtering plant is not the proper and adequate thing to have. However, it is believed by the officials of the Water Company that within a very short period the conditions will be back to normal.

We furthermore wish to thank the public in general, and all of our patrons for their patience and endurance in our past trouble, and we remain, yours for service in the future, MAYSVILLE WATER COMPANY. By HENRY E. POGUE, Sec'y & Treas.

BOXING LEGALIZED IN STATE OF KENTUCKY

State Senate Passes Boxing Measure Which Now Awaits Governor's Signature.

Frankfort, Ky., March 12.—The sport of sparring, long since accepted by the United States Army as among the best methods of developing self-confidence, self-reliance, sportsmanship and manliness among young men, was legalized by the General Assembly today. The Bryson-Perry bill, legalizing public boxing exhibitions, passed the Senate late this afternoon by a vote of 22 to 12, after an extended debate during which eloquent tributes were paid to the many art. The measure, which previously had passed the House, now goes to Governor Morrow for his approval.

The measure provides for the appointment by Governor Morrow of an Athletic Board of Control, which will have power to license boxing clubs and boxing exhibitions. It stipulates that no pugilistic contest shall exceed twelve rounds, that no decision shall be rendered and that the gloves used shall weigh at least six ounces. Every possible precaution against the intrusion of the objectionable features of professional pugilism is included in the provisions of the bill.

APPOINTED COUNTY JUDGE OF BRACKEN.

Everett Pfanstiel, son of Eld. M. Pfanstiel, has been appointed County Judge of Bracken county by Governor Morrow, to fill the vacancy occasioned by the death of Judge W. H. Gibson. Everett is a brilliant and highly educated young man. It is said he secured appointment over seven or eight other applicants for the position.

HAIL DOES DAMAGE AT LEWISBURG.

Residents of the Lewisburg neighborhood in the city today report that the hail storm on Friday afternoon did considerable damage in that section of the county by breaking out window lights. The hail was very large and heavy in that section.

LARGE ATTENDANCE AT SCHOOL PROGRAM

Many Attend Special Program Given by First District School Children.

In spite of the threatening weather, Friday proved to be the banner day in attendance for the First District Parent-Teacher Association. The program was unusually attractive and greatly appreciated by those present.

The Third grade pupils from Miss Emma DeBolt's room, delighted the audience with their play, "Sleeping Beauty." The children played their parts well and reflected much credit upon their teacher.

Rev. W. D. Welburn's remarks were especially uplifting and all appreciated his presence with us. Mrs. Alger gave one of her charming readings. We always welcome Mrs. Alger in our midst.

Next week all Parent-Teachers' Association members will be working hard on the sale of tickets for "Twilight Babies," for the benefit of the Penny Lunch. Cheer them on their way by buying a ticket for yourself and friends.

An evening meeting of this association will be held as soon as the weather becomes warm. All the fathers may look for an invitation for they are to be the guests of honor upon that occasion. Begin planning now to attend for it is to be well worth your time.

DEMONSTRATION HERDS TO BE ESTABLISHED HERE

Farmers Talk Over Their Organization, Better Swine and Good Roads in Meeting Held Saturday.

There were many farmers in attendance at the meeting of Mason County Farm Bureau held at the Farm Bureau building in Second street this afternoon. The meeting was called especially to let the members of the bureau know something of the extent of their organization but other important matters were also taken up.

It was reported that between the first of February and March 13th the Farm Bureau had done \$11,002.93 worth of business and a different business system was discussed.

Farmers and all who travel the county roads are most interested just now in better pikes and this subject was quite interestingly discussed. County Judge H. P. Purnell was present and presented the Fiscal Court's side of the road problem.

Mr. O. G. Hankins, Swine Specialist of the Kentucky Experiment Station, was present and addressed the farmers on the question of better swine. Mr. Hankins stated that the Experiment Station was anxious to locate at least two model demonstration swine herds in Mason county for this year. There will be probably twelve of these herds in the state and Mason county has been offered two of them.

SUES FOR ARTIFICIAL FLOWERS MADE FOR HINK

Miss Jennie Debold brought suit in Mason Circuit Court yesterday against James Caproni, Charles Dramel, and others, partners doing business as the Princess Skating Rink and other places of amusement, asking judgment for \$200, alleged to be due her for 200 artificial flowers she had made for them at their instance. She asked for a general order of attachment against the property of the Terpsichorean Club to satisfy her claim.

LARGE COURT DOCKET.

The docket for the March term of the Mason Circuit Court was closed Friday evening by Circuit Clerk James B. Key. There are 64 cases in appearance for this term. Thirty-six cases are on the Equity docket, 26 common law and 2 appeals.

REVOLUTION IN GER-MANY CAUSES FALL OF HERR EBERT

Ebert Government Falls As Fatherland Party Chief Becomes Chancellor—Hindenburg May Come Back.

HERR EBERT

London, March 13.—A Berlin dispatch confirmed today an earlier news agency despatch that the Ebert Government had been overthrown.

The news agency message said revolutionary troops entered Berlin today and that revolutionists had proclaimed the end of the Ebert regime. It also said Dr. Wolfgang Kapp had been named chancellor.

Earlier despatches reported the Reichswehr and Public Security forces of Gustav Noske had been confined to their barracks and ordered to be ready for any emergency.

Dr. Kapp is known as a violent reactionary. As head of the Fatherland party he was considered an advocate of restoration of the monarchy.

Kapp has been reported closely in touch with the pan-Germans who have been backing Field Marshal Von Hindenburg for the presidency. Hindenburg last was reported as accepting the offer to become a candidate.

Full of the Ebert government may be fraught with the most far-reaching consequences. Allied leaders have made every effort to insure its security, publicly asserting any change would be sure to endanger the treaty of Versailles.

Ebert depended for support largely on the troops of Gustav Noske, his minister of defence, who crushed the Spartacan and other radical outbreaks. While Noske had full control over

OPERA HOUSE INSTALLS LATEST MUSICAL INSTRUMENT

Complete Orchestra Will Be Operated by One Person—Recital by Expert Planned For Wednesday.

The management of the Washington Theater has purchased a new Wurlitzer Orchestral organ which is now being installed in the orchestra pit by Mr. John W. Bouex, expert of the Wurlitzer Company. The instrument is about the size of three pianos combined and furnishes all of the music obtainable through a full orchestra while the various effects necessary to the proper filming of pictures are provided in the instrument.

This new organ orchestra is operated by one person or can be operated mechanically by electricity. Miss Florence Stoker, efficient pianist at the Washington, is being taught the operation of the machine and will be in charge of the orchestra.

Arrangements are being made for a public recital on next Wednesday when the new instrument will be introduced to the people of Maysville. Miss Thornton, an expert operator from the Wurlitzer Company, will give the recital both Wednesday afternoon and evening and on this day the afternoon matinee at the Gem Theater will be dispensed with.

COLORED WOMAN DIED FRIDAY.

Mrs. Edna Anderson passed away at her home in East Third street Friday evening at 3:30 o'clock after several months illness. She is survived by one sister, two brothers, three daughters, two sons and four grandchildren. Funeral services at the residence Monday at 1:30 o'clock. Interment in Shannon cemetery.

HELD FOR GRAND JURY.

George Klinger and Russell Honer, both charged with uttering forged checks, were before Judge John L. Whitaker in Police Court this afternoon for an examination. They were held for the March Grand Jury and their bonds placed at \$500 each which they were unable to give.

The Reichswehr and volunteer troops, his hold on the regular army was weak. This disaffection of this element, headed by officers who retained their allegiance to the former Kaiser, probably forced Noske to give up his post without fighting.

Reports that the revolution was brewing have been current for months. Ebert always has been considered an interloper by the aristocrats of the old regime. His lowly birth and unconvincing personality have been held up to scorn by the military clique.

WILL RAISE SUM AT SPECIAL SERVICE TO BUILD S. S. ADDITION

Plans Being Made To Erect An Up-To-Date Sunday School Addition To Local Christian Church—Special Easter Service.

For some time the officials and members of the local Christian Church have been desiring an addition to their church for the purpose of housing their large and rapidly growing Sunday school. The matter of building an up-to-date Sunday school section to the church has been discussed constantly and it has been finally decided that the church will be required to build this new addition.

It has been estimated that to erect the kind of an addition desired to properly house the school a fund of \$20,000, at least, will be necessary and plans to raise this sum are now being considered. The first effort toward raising this sum will be made on Easter Sunday, according to present plans. This Easter service will be made especially attractive and every member and friend of the church will be expected to be present. Arrangements were made today with Manager J. Harbour Russell, of the Maysville Hays' Band for the band to furnish the music for the service and there will be many other extra attractions which will be announced later.

It might be said that the Sunday School fund already has quite a new sum in it, several members of the Christian Church especially interested in the Sunday school having made free will offerings. It is thought that the sum necessary to the erection of the contemplated addition will be raised easily and that work on the new building can start this Spring.

ASKS JUDGMENT FOR BREACH OF CONTRACT.

In the Mason Circuit Court late Friday G. J. Vogel brought suit against Samuel Middleman asking judgment for \$800, alleged to be due because a breach of contract. Mr. Vogel is the son-in-law of Clark Busby, an

Middleman for the purchase of a certain piece of real estate in East Street then belonging to the defendant's son-in-law, Clark Busby, as he paid \$100 on the contract. The defendant has failed and refused to make him a warranty deed for the property and he has been damaged in the sum of \$800.

Mr. Anthony Diener, of Melvain, Knox & Diener's furniture store, is very critically ill with pneumonia. He was taken much worse this morning.

WORTH S. PETERS, Pastor.

TODAY'S ANNIVERSARIES.

1913—Sweden joined the grand alliance against Napoleon.
1845—John Frederick Daniell, chemist and physicist, who introduced gas lighting in many European cities, died in London. Born there March 12, 1790.
1854—Names of Sir John Franklin, his officers and crew removed from the British Navy list, there being no hope any longer of their being alive.
1882—Thousands of lives lost in an earthquake in Costa Rica.
1885—England observed a day of mourning for the loss of General Gordon.
1906—Susan B. Anthony, famous pioneer of the woman suffrage movement, died at Rochester, N. Y. Born at South Adams, Mass., Feb. 15, 1820.

Ledger Service—Efficiency.

IT'S FOOLISH TO SUFFER

When So Many Maysville People Are Pointing the Way Out.

You may be brave enough to stand backache or headache or dizziness. But, if, in addition, urination is disordered, look out! If you don't try to fix your sick kidneys, you may fall into the clutches of dangerous disease before you know it. But, if you live more carefully and help your kidneys with Doan's Kidney Pills, you can stop the pains you have and avoid future danger as well. Don't experiment—use the remedy Maysville people are publicly endorsing. Read this case: Mrs. R. W. Louderback, W. Second St., Maysville, says: "Some few years ago I was suffering with kidney trouble and had been for a long time. I was nervous and dizzy and had severe headaches. My kidneys were too frequent in action and annoyed me greatly. I had a dull ache across the small of my back and was so lame at times that I could hardly bend one way or the other. Someone advised me to use Doan's Kidney Pills and I got a box at Wood & Son's Drug Store. They helped me at once and continued use entirely cured me of the trouble." Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Louderback had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

Stage and Screen

NEXT WEEK AT THE WASHINGTON AND GEM.

Monday—Gem only, Eugene O'Brien in "The Broken Melody."
Tuesday—Gem only, Ethel Clayton in "A Sporting Chance."
Wednesday—Gem and Opera House, Robert Warwick and Elaine Hammerstein in "Accidental Honeymoon," and Vivid on the screen.
Thursday—Opera House and Gem, "The White Heather" and travel picture.
Friday—Gem and Opera House, Katherine McDonald in "Turning Point," and Current Events.
Saturday—Gem only, Harry Morey in "The Birth of a Soul," and Briggs comedy "Everything."

Very Attractive Picture Programs For the Week.

The managers of all three of our local picture houses offer an unusually attractive lot of high class pictures for next week with "Bonnie Bonnie Lassie" with Mary MacLaren and the U-boat 35 leaders at the Pastime and Ethel Clayton in "A Sporting Chance" and "The White Heather" as the leaders at the Washington and the Gem. Manager Russell is offering something very new to Maysville theatergoers at the Gem and Washington on St. Patrick's Day in vaudeville on the screen. It is expected that his filmed vaudeville will become very popular all over the country. Wednesday will be Maysville's first opportunity to see this novel form of entertainment. Manager Treble of the Pastime has booked that wonderful picture "The Exploits of the German Submarine U-35" for Wednesday and feeling certain that the picture will make for itself a wonderful reputation in the first local showing, he has made arrangements to repeat it on Thursday.

A Breath From Honey Seelind.
"I'll give you twenty million dollars if you'll marry Alisa Graeme!"
So said old Jeremiah Wishart to David, his favorite nephew.

One would think that David would jump at the chance, for Alisa was the prettiest girl that ever came from the Highlands of Scotland, but David had never seen her, so he refused and discarded his art studio for the unrestricted workshop of nature and began painting signs.

As he was painting a roadside sign a pretty girl happened along and asked for a job. David learned that she could paint remarkably well and he forthwith hired her as a assistant. The girl turned out to be Alisa Graeme and old Jeremiah was happy for the first time in his life.

That is the basic theme of "Bonnie Bonnie Lassie," the photodrama with a Scotch atmosphere, that comes to the Pastime Theater on Tuesday with Mary MacLaren in the starring role. Spottiswoode Alken, David Butler and Arthur Carrow are in the supporting cast.

Tod Browning, who directed the screen version of Fannie Hurst's story, "A Petal on the Current," with Mary MacLaren in the featured role, also directed the last production.

Home Talent and Big Musical Comedy Shows.

Besides being a big week in pictures next week will be an exceptionally big one on the stage for three nights during the week there will be something doing on the stage at the Opera House. The week opens with Oul Oul Monsieur, the one big play for which the people of Maysville have been waiting for several weeks. It's the Elks-Jordan home talent musical comedy with more than a half-hundred Maysville men, women and boys and girls in the cast. Those who have been peeping in at rehearsals report that the show is going to be a real surprise. Of course, Maysville people are expecting something really big for the Elks never do anything half way and then Jean Jordan and his talented wife have a reputation at stake here in Maysville, having produced several first class home talent entertainments before. The show will be repeated on Tuesday evening and the advance sale for Monday night now indicates a record crowd.

The week will end on Saturday night with the Comstock-Elliott musical comedy "Oh Boy" bringing with them a chorus of New York beauties and many whistly song hits of which are "An Old-Fashioned Wipe," "Tolled In to One," "Till the Clouds Roll By," "The First Day of May," "Nesting Time in Flatbush" and several other national hits which have come on ahead of the play. The music is all by Jerome Kern.

In the special New York Theater company which will appear here will be Charles Mayfield, Mario Dilworth, Mattie Edwards, Helen Duffels, Harry Hoyt, Roy Gulst, Gen. J. Williams, John Westman, Jr., Jere McAuliffe, and a chorus of pretty girls from the New York Princess Theater, whose charm and beauty are well worthy of special mention. "Oh Boy" was for an entire season in New York at the Princess Theater and then continued its run at the Casino in New York.

Buy in Maysville. It pays.

NEXT WEEK AT THE PASTIME THEATER.

Monday—Wm. Duncan and Shoe-string Ryan in "Smashing Barriers," Helen Gibson in "The Border Watch Dog." Hearst News.
Tuesday—William Russell in "Leave It To Me."
Wednesday—"Official Exploits of the German Submarine U-35"; Frank Keegan in "The Silver Girl."
Thursday—Mary MacLaren in "Bonnie Bonnie Lassie"; "Official Exploits of the German Submarine U-35."
Friday—Pearl White in "The Black Secret"; Mae Sennett comedy; Pathe News.
Saturday—Hoot Gibson in "The Dart," Century comedy; screen magazine.

Society Enraged By Slander Charge Against Fashionable Hostess.

Feeling against Col. Follis Curmew, the wealthy oil operator, runs high at the house party of E. H. Rivett, popularly known as the "iron king" due to offensive conduct on the part of Col. Curmew towards Diana Tennant, professional society hostess who slipped away from the party.

Miss Tennant, although a hired employee, became quite popular while at the party. Rumor has it that Col. Curmew, who is quite an impressionable man, was taking pains to tell the entire list of guests that Miss Tennant was involved in a thrilling near-donestic row in Reno.

No, dear reader, this is no shocking local event. It is only one of the situations in "The Taming Palm," in which Katherine MacDonald, the American beauty, will be seen in her latest First National attraction at the Washington on Friday.

The story was adapted from the novel by the same title by Robert W. Chambers. Extra attention, according to the management has been given the selection of locations for this picture and some of the choicest scenic spots in California serve as backgrounds for the many unusual situations that develop in this story of a beautiful girl who risked the hate of a man she loved in order to force him to give up a worthless life and be a credit to himself.

German Ruthlessness Shown in Film.

Newspaper scare heads and black fact bulletins are recalled vividly in the 3,000 feet of remarkable film to be shown in the Pastime Theater when "U-35," or "Official Exploits of the German Submarine U-35," is shown for two days on Wednesday and Thursday.

For this three-reel special, a photoplay "scoop" if ever there was one, depicts in pictures taken by a cameraman assigned to the "U-35," flagship of the Kaiser's submarine fleet, the "ruthless destruction and all the incidents of a single cruise on which this 'sub' sent to the bottom 21 steamships and three sailing vessels flying the flags of Allied and neutral nations. The pictures were intended for the German Admiralty, to support the written report of the U-boat commander and to be shown to the German people to keep their ardor for war at white heat." It can be understood that the German people were convinced the War Lord could dominate the world, if just one of his hords of "subs" on a single cruise of many could work such terrible havoc to the shipping on which the Allies relied for food and munitions.

The Duke of Devonshire, Governor-General of Canada, sails for England today to attend the wedding of his daughter, Lady Dorothy Cavendish.

Catarh Cannot Be Cured with LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Catarh is a local disease, greatly influenced by constitutional conditions, and in order to cure it you must take an internal remedy. Hall's Catarh Medicine is taken internally and acts thru the blood on the mucous surfaces of the system. Hall's Catarh Medicine was prescribed by one of the best physicians in this country for years. It is composed of some of the best tonics known, combined with some of the best blood purifiers. The perfect combination of the ingredients in Hall's Catarh Medicine is what produces such wonderful results in catarh conditions. Send for testimonials free.

A Steady Growth

The Roots of the State National Bank are firmly planted in the soil of Mason County. Its growth has been normal, healthy and stimulated by the success of the community it helped to uphold.

Isn't it best to do business with a old, strong, big Bank that has always been able and disposed to take care of the legitimate needs of its customers, who are worthy of credit, no matter how large or how small?

We invite you to come in.

STATE NATIONAL BANK

THE ONLY NATIONAL BANK IN THE COUNTY.

FIND WATER IN MILK BY FREEZING

Dr. Julius Hortvet, Minnesota state chemist, has invented a machine which will force retail milk distributors in the city to watch their step. Watered milk can be tested in eight minutes with his machine. The process is simple. It is by freezing. The water in milk freezes first—showing accurately the percentage of water in each bottle of milk.

IN THE DAY'S NEWS.

Frank H. Hitchcock, whose services have been enlisted in behalf of the candidacy of Major General Leonard Wood for the Republican presidential nomination, had had wide experience in practical politics and the management of political campaigns. Mr. Hitchcock is an Amherst College graduate, who rose from subordinate department posts at Washington to head of the Department of Commerce and Labor in 1903-4, and of the Postoffice Department in 1909-12. In the presidential campaign of 1908 he was chairman of the Republican National Committee, and managed the fight for the Republicans before and after the nomination of Mr. Taft. Eight years later he directed the campaign of Mr. Hughes for the presidential nomination. A lawyer by profession, with marked executive ability and a skill in

practical politics that has made him useful again and again, when enlisted in behalf of men and of causes, Mr. Hitchcock retains considerable influence in circles where tactics count for much.

THOROUGHBREDS PROVE STRONGER

GREAT WAR TAUGHT IMPORT-
ANCE OF BREEDING OF
HORSES.

RACING ENCOURAGED ABROAD

Nations Who Bore Brunt of Conflict
Maintained the Sport as Much as
Possible as Matter of Sound Policy
in its Relation to National Defense.

At no time in the course of the last five years, not even while the great war was at its height, did the Central Empires stop the racing of thoroughbred horses. The great tracks at Hamburg, Berlin, Vienna and Berlin were the scenes of brilliant gatherings, even when the Grand Duke Nicholas was threatening East Prussia with invasion and Brundage was on the edge of the plates of Hungary with his wild Cossack riders. At no time during the course of the great war were American and English trainers and jockeys, who had been caught by the declaration of war in Germany and Austria-Hungary and were unable to obtain passports, interned. They were permitted by governments their governments were seeking to destroy to pursue their accustomed callings unmolested and unrestrained.

France Alone Stops Racing.

Of the great nations participating in the great war, France alone felt the necessity of stopping horse racing. Threatened with utter destruction in a flood of Teutonic barbarism, France had to send to the fighting lines on the Marne, the Somme, the Aisne about Verdun, in the Vosges, every male Frenchman capable of bearing arms. Back of the fighting lines she had to mobilize the elderly men with the women and children for the imperative work of making munitions. Upon France alone fell the burden of resisting the German tide for upward of two years. Throughout the course of the war speed tests were held in the great French tracks, but not as public spectacles. But there was no letting down of the bars as regards the exportation from France of thoroughbred blood any time during the war. As a special consideration citizens of the United States, a country from which the French, from the very beginning of the war, were drawing enormous quantities of military material, who had thoroughbred studs in France, such men as John Sanford, of Amsterdam, Major August Belmont, Joseph E. Whelen and Thomas P. Thorne, were permitted, when transportation was available,

to ship to the United States a limited number of thoroughbred yearlings. No matured thoroughbred stallions or mares were allowed to leave the country, whether their owners were Frenchmen or outsiders.

With the signing of the armistice, France and England resumed racing with characteristic enthusiasm. The attendance at the race tracks about Paris has been greater this season than in any for the period of half a dozen years preceding the outbreak of the great war. The crowds that witnessed the running of the Derby, the Oaks, the Ascot Gold Cup, the Leger, etc., in Great Britain, were greater by the thousands than the greatest of note-bellum race track gatherings.

Sport Encouraged in Europe.

In France and Great Britain the patronage of horse racing, by the public, has the highest government encouragement now as the support of racing had in Germany and Austria-Hungary even through the dark months when human beings were finding it difficult to obtain nourishing food. France and England recognize today as Germany and Austria-Hungary have for many days the indispensibility of thoroughbred blood to national defense and necessity of thoroughbred horse racing for the maintenance at its highest efficiency of thoroughbred blood.

ONE YEAR AGO TODAY.

Spanish cabinet granted an eight-hour day to all building trades. President Wilson and party lunched at Brest and proceeded at once to Paris.

Ledger Service—Efficiency.

WHAT IS THE MATTER WITH THAT CHILD?

When Children Grow Pale and Listless
Their Blood May Be Weak.

PEPTO-MANGAN MAKES RED BLOOD

Sold By Druggists in Liquid and Tablet Form — Both the Same
In Medicinal Quality.

When your child loses color, acts and talks without spirit, and does not play like other children, act quickly.

If the condition is not a deep-seated disease but merely due to poor blood, give Pepto-Mangan. Guide's Pepto-Mangan is just the tonic for pale, thin children whose blood needs rebuilding. It is a pleasant-tasting, simple combination of exactly the ingredients that increase and enrich the blood.

Immediate results show almost at once in brighter eyes, blooming cheeks, a sprightly step, and the whole system made more vigorous.

Pepto-Mangan is obtainable in liquid or tablet form, whichever proves most convenient. Both forms possess identical medicinal qualities.

There is but one genuine Pepto-Mangan and that is "Guide's." Ask your druggist for "Guide's" and look for the name "Guide's" on the package. If it is not there, it is not Pepto-Mangan.—Advertisement.

"SAVE MONEY ON MEAT"
WEEK, LATEST H. C. L. PLAN.

Washington, March 12.—The week of
March 22 was set by the Department
of Justice today as the first "save
money on meat" week. Fair price com-
missioners in many states have been
holding conferences with retail meat
dealers as a result of which the cheap-
er cuts of meat will be stocked to meet
the expected demand.

Howard Fleg, assistant attorney
general, in charge of the price reduc-
tion campaign, pointed out that the na-
tion consumed an average of \$3,000,000
pounds of meat daily and that in buy-
ing the less expensive cuts the con-
sumer is aiding in the campaign as
well as receiving an immediate benefit.

WOMEN TAKE PART IN PRESBYTERIAN CAMPAIGN

Women of Kentucky Have Very Active
Part in Big Campaign of Pres-
byterian Church.

Louisville, Ky. — An organization of
women from all parts of Kentucky has
entered into the great Presbyterian
Progressive Program, by which the
church expects to raise \$222,699 in this
state and \$4,000,000 in the entire
South for extension of home and fore-
ign missions and educational and
other purposes. It is known as the
Kentucky Woman's Auxiliary of the
Presbyterian church, and Mrs. H. L.
Cockerham, of Willmore, is president.
Women will have an important part
in the Presbyterian movement, which
is the most far-reaching the church
has ever undertaken. They have been
organized in each of the fifteen South-
ern states in which the church oper-
ates. Mrs. W. C. Winsborough, of St.
Louis, is superintendent of the associ-
ation.

The roster of officers for Kentucky
is as follows: Vice Presidents: Mrs. A.
C. Riggs, Ludlow; Mrs. M. D. Irvin,
Danville; Mrs. N. Yancy Crittenden,
Paducah; Mrs. George Wood, Louis-
ville; Secretary, Miss Alice Eastwood,
Louisville; Treasurer, Mrs. N. S. Van
Meter, Lexington.

The Presbyterian movement has a
number of objectives besides the finan-
cial one. One hundred thousand lit-
ers are sought out of a church mem-
bership of 368,000. An appeal is being
made for the enrollment of Christian
workers for home and foreign fields.
One phase of the movement is a cam-
paign for new members for the
churches and Sunday schools.

Usual services by the pastor at 10:45
a. m. and 7 p. m. Sunday school at
9:30. Interest is increasing, but there
is room for more. J. C. Burwell, Super-
intendent, W. D. WELBURN, Pastor.

Mrs. Elzie Fearls and daughter,
Ruth, of Lewisburg, are visiting Mr.
and Mrs. George Shipley.
